360° Miracle Women Make a Difference

This month we celebrate Gemma Touchstone, a mother of two, who understands the challenges that arise when faced with limited support. After the passing of her mother, she experienced the difficulty of navigating tough times without an essential support system. She came to be involved with Miracles for Kids and 360° Miracle. Gemma shares, “When I consider the added burden of having a sick child in a similar position, I can only begin to fathom the immense challenges and heartache that families endure. That’s why I find immense fulfillment in being part of Miracles for Kids, where I witness the direct impact of our efforts on the lives of these families.” Gemma has been a 360° circle leader and has hosted several events, directly benefitting families in need and has introduced several women to 360° Miracle. The work we do together truly changes lives, one by one. We are so fortunate to have Gemma Touchstone as an impactful member and leader.
